Friday Night Sunset Summers through June for non members and July for members!

Message from the President...

Greetings everyone! The warm weather is here and its time to enjoy what will hopefully be a fun-filled spring and summer. It was great to have so many attend the spring membership meeting and cleanup. The board has been working diligently to improve your association, so look for some exciting changes in the near future.

Our association is built on its members, however, so nothing happens without YOU! Our focus as a board is to help you participate – whether it is getting your work hours or attending one or many of the great CFBA functions!

We are improving our communication to you. We are currently working to upgrade our website, have a useful notice board at the beach, and develop other ways to get the word out. YOU can help by giving us useful feedback. Don't just give us a complaint, offer a solution, if possible.

Work hours can be FUN! You can earn your work hours by hosting one of the CFBA events!

Great thanks to Connie Horn and Jen Couch who did a fantastic job with the Cinco de Mayo party! There was a great turn-out and good food and fun was had by all!

Finally, we have a CFBA welcome packet available for prospective members. You can download it from the website or get a copy from a board member.

Be sure to tell your neighbors how great CFBA is. Have a great summer!
