Message from the Board...

Greetings everyone! The warm weather is here and its time to enjoy the summer. Remember the beach is a place that the members share— that includes the responsibilities as well. From events, to clean up everyone plays a role.

Our association is built on its members, so nothing happens without YOU! Our focus as a board is to help you participate – whether it is getting your work hours or attending one or many of the great CEBIA functions! Remember the beach is a place that the members share— that includes the responsibilities as well. Please be courteous to other members and mind the beach rules whether it be cooking out, smoking, fishing, swimming, launching your boat, and parking your boat, remember to close the gate behind you, and help with chores such as cleaning the goose poop.

We are improving our communication to you. Check out the website, and our facebook page. The block captains are being utilized more and some even go as far to put awesome flyers in your mailboxes!! If you have other environmentally friendly and cost effective suggestions to communicate please share. YOU can help by giving us useful feedback. Don't just give us a complaint, offer a solution, if possible.

Work hours can be FUN! You can earn your work hours by hosting one of the CEBIA events!

Finally, we have a CEBIA welcome packet available for prospective members. You can download it from the website or get a copy from a board member. Because of the current economy we have noticed a decrease in membership and we need you to let everyone know how great CEBIA is. If you have any questions please do not hesitate to call any of the board members. Have a great summer!

Reminder:

You are required to complete a minimum of 10 work hours (15 if you are a tag checker) from April 17, 2011 through April 16, 2012. You are responsible to obtain a board members signature stating that you have completed the hours. You do have the option of paying \$250.00 annually in lieu of completing these required work hours. There are jobs for everyone, no matter what your skill level or limitations may be. Contact any board member and they will help get you going in the right direction. There will be no exceptions made for members who do not complete their work hours.

You must have a CEBIA parking pass displayed on your vehicle when parking in the main beach lot. You will receive your parking pass along with your key when paying your dues. If you do not have a parking pass you will have to park your vehicle in the lot across the street from the beach property or on the street.
