Winter 2015

Reminder

You are required to complete 10 work hours (15 if you are a tag checker) from April 11, 2014 through April 16, 2015. Work hours can be FUN! We will be hosting some home improvement parties to spruce up the clubhouse this winter (information will be posted to Facebook) or if anyone wants to take the lead on a project please contact a board member. You are responsible to input your work hours online and obtain board members approval or you have the option of paying \$250 annually in lieu of completing these required work hours. There will be no exceptions made for members who do not complete their work hours.

In Memory

It is with the deepest regret that we inform all CEBIA neighbors that both Chris Mischon and Walt Dmoch have passed away this winter. Please continue to keep their families in your thoughts and prayers. Chris and Walt were wonderful friends and neighbors who will be very missed.

Message from the Board...

Hello everyone! We recently had our fall membership meeting and elections. CEBIA's newly elected board is below. Welcome to our new board members Brian Bennett and Lindsay Madison. Farewell to John Wisnewski and Rob Milsap; CEBIA appreciates all of your contributions.

Please be aware that if you have not yet paid your assessment we are still collecting and have payment options available. This was voted on by the membership and will be used to fund the rebuild of the Point sea wall. Those who have not yet paid please contact Bob Miljan for payment options. Not paying this fee will put your membership in jeopardy.

Finally, we have a CEBIA welcome packet available for prospective members. You can download it from the website or get a copy from a board member. Because of the current economy we have noticed a decrease in membership and we need you to let everyone know how great CEBIA is. If you have any questions please do not hesitate to call any of the board members. New winter memberships are prorated!
